### THE GREAT PROJECT

### Aims and objectives:

The GREAT (Great Relationships Are Equal and Trusting) Project is a domestic abuse and healthy relationship project for children in Year 5 and 6.

Designed in collaboration with teachers and pupils, GREAT raises awareness about domestic violence in an age-appropriate way, improves children's access to support services, changes attitudes to prevent future domestic violence, and empowers young people to aspire towards healthy relationships.

### What Impact Will It Have?

- Reduce the devastating impact that domestic violence can have on the lives of children, including poor performance in school.
- Enable primary school children to understand what a healthy relationship should look like, explore what domestic abuse is and know where to go for help and support.
- The GREAT Project has been designed to complement Key Stage 2 PSHE and SEAL objectives.
- · Reinforces children's recognition of their right to live free from fear and encourage healthy attitudes towards relationships.
